Going Crazy

1.
Walking away
From the crowd
I feel scared
Don't want to stay
Feel like shit
I am sick

2.
Leave me alone
On my own
Just alone
I'm going home
Don't you walk
Walk my way

Chorus:
I feel I'm going crazy
Schizophrenic like hell
I feel I'm going crazy
Paranoid like hell

3.
I'm all alone
I'm so free
I feel good
I'm on my own
Heal my soul
And I'm good

4.
I'm all alone
Were are you
I need you
I'm on my own
Need some one
I go mad

Chorus:
I feel I'm going crazy
Schizophrenic like hell
I feel I'm going crazy
Paranoid like hell

Outroverse:
Leave me alone
Leave me the fuck alone
Leave me alone
Leave me the hell alone
