Abuse

1.

Actually it's unfair
Here in the west
We enjoy the good life
But out in the east
They work themselves
Till death

2.

And it shouldn't be so
They should feel good
They should have a good life
We misuse children
So we can get
Cheap Cloth

Chorus:

We are some
Slave bastards
We are some
Abusers

3.

And we have all the fun
And they have non
They have a hard long day
They have a hard life
Our work ain't hard
We're fine

Chorus:

We are some
Slave bastards
We are some
Abusers

4.

We should give them a life
Some joy in life
Make their work easier
Have a cozy home
They deserve a good life
indeed

Chorus:

We are some
Slave bastards
We are some
Abusers

B:

Sometimes there are children
In the east
who have got no mom and dad
They should have someone
in replace of their parents

Chorus:

We are some
Slave bastards
We are some
Abusers

Outro verse:

Poor children
We should be ashamed
