# A friend of the world

1.  
I'm a friend of the people  
I'm a heart with a soul  
I'm a loner but still a friend

2.  
I'm a friend of the people  
Everywhere I come  
I always meet good guys world-wide

**Chorus:**  
And the girls are wonderful  
All over the world  
Yes the girls are wonderful  
I really mean it

3.  
I'm international  
I am for the world  
Most people are good I believe

**Chorus:**  
And the girls are wonderful  
All over the world  
Yes the girls are wonderful  
I really mean it

4.  
I'm a friend of the world  
A friend of all colors  
I believe in all kinds world-wide

**Chorus:**  
And the girls are wonderful  
All over the world  
Yes the girls are wonderful  
I really mean it

**B:**  
Only the dictators are bad  
And their evil team  
Except for Fidel Castro  
He always thought and did  
With his heart

**Chorus:**  
And the girls are wonderful  
All over the world  
Yes the girls are wonderful  
I really mean it

**Outro verse:**  
Are you a friend of the people  
Like me
